BOYS CLUB WORK WILL BE STARTED FRIDAY

Contract to be Let for Men's Dormitory

MARCH 12 IS SET OPENING OF THE BIDS

$47,000 Building Will be Second Home For Men

HILL IS PLEASED

Four PWA Projects Are Yet to be Acted Upon For W. T.

Bids have been called for the construction of the boys' dormitory on the campus of W. T. for March 12th. PWA made a loan and grant of 30% for the construction of this building the first of October, and the details have been worked out for the construction of the building since that time. This will be the first PWA project to be started in Canyon.

$47,000 was granted on this application. $13,320 will be a direct gift from the government, and the balance will be returned to the government from the income of the dormitory. This will be the second dormitory for boys on the campus of W. T., since one unit of Buffalo Court is now occupied by 15 boys, and the other sections will be completed before the dormitory is ready for occupancy. W. T. has operated two dormitories for girls for several years.

Four other PWA projects are pending before officials at Washington. Three have been approved, but the money has not yet been set aside. The fourth is expected to be finally approved in the near future. Dr. J. A. Hill is now in Washington trying to get all of the projects finally approved so that work may be started during the early spring. These projects would provide much labor of local men during the summer months.

The new dormitory will be 40x108, two story, fire proof, and will house 32 men. It will be self liquidating when board and room are charged at prevailing prices.

Before leaving on his trip, Dr. Hill expressed great satisfaction that bids were finally called, and hoped that the bids would be within the amount of money set aside by the government so that work could start at once. Rittenberry and Carder of Amarillo are architects for the building.

WOOTEN BUYS NEW DRAPERIES FOR OLYMPIC

W. J. Wooten has bought new draperies for refinishing the Olympic Theatre. While in St. Louis this week he ordered new equipment which will add greatly to the beauty of his show place.

The new equipment will arrive next week and will be installed immediately.

Income Tax Man Will Advise Tax Payers March 2nd

Deputy Collector Ralph Kenniston will be at First National Bank in Canyon on March 2, from 9:30 a. m. until 4:00 p. m. to assist tax payers in making their reports.

Mr. Kenniston states that a change in the law will make it necessary for many citizens to file income taxe reports than has been customary in the past.

Every married person with an income of $2,500 must file a report regardless of the number of dependants. Every unmarried person with an income of $1,000 must file a report regardless of dependants. A fine of $500 will be imposed upon those who do not file the reports, regardless of whether they owe a tax.

Mr. Kenniston states that he wishes to meet all who have difficulties with their income tax reports and will assist them in answering any questions which arise.

SEEK FUNDS TO IMPROVE CEMETERY

New Architect In Charge Park Work

Carlander Resigns to Take Up Private Work

Henry D. Anastafas of Austin has assumed the duties of architect at the Palo Duro State Park, succeeding Guy Carlander who resigned to devote all of his time to his private business in Amarillo. Mr. Anastafas arrived Tuesday and will give his full time to the work of the Park.

A group of Park officials are here, including Roy E. Lane, chief architect for the State Parks Board; J. T. Haile, procurement officer; George L. Nason, chief inspector for the National Parks Service, and Francis H. Gott, his assistant. The officers are making a thorough inspection of work underway at the Palo Duro for this period, ending April 1st.

Major E. A. Kingsley states that work is progressing very nicely at the Park. The five cabins at Cow Camp will be completed during this period.

The dining room of the Lodge is being plastered and will be completed in a short time. It is planned to have the kitchen completed during this period. The present approved plants do not include further work on the lodge, but it is expected that approval will be received on the other units by the first of April.

Canyon Club Will Launch Program to Beautify Grounds

March 2nd has been designated by the Board of Directors of the Canyon City Club as Tree Planting Day. Every member is urged to contribute shrubs, fruit trees, shade trees, evergreens, or anything in fact that will beautify the banks of the Palo Duro creek which courses through the club grounds. Several members have located a clump of wild plum bushes and will bring them for the planting.

Dr. Anderson, landscape Architect for the Palo Duro Park, looked the club grounds over last week and declared it to be one of the beauty spots of this section of Texas. "The possibilities of beautification are unlimited," he declared.

March 2nd will be a legal holiday and many can get off from the regular business routine. What a fine thing it will be if at least part of the day will be spent planting trees which in a few years will add beauty, shade, restfulness and value to our club. Bring the family and lunch—also a spade or grubbing hoe. Each tree will add $25.00 value to the club. We will thereby be co-operating with the National administration in erecting the tree belt. Select a site where you want a cabin and get it ready for the building day.

A committee of ladies has been named to secure flowers appropriate for planting. Within a few years the new club house will grace the grounds. Why wait until then to plant trees? Have the grounds ready. Only by individual effort will it be possible for us to build a club worthy of the name. Don't wait for someone else—locate your trees—and join the C. C. A. (Country Club Army), Saturday March 2, and make it a day long to be remembered.

ROSS CRAIG, Pres.

TRUSTEE ELECTION TO BE HELD ON APRIL 6

The annual election of school trustees will be held on Saturday, April 6th.

The term of office of W. H. Stroud and J. H. Lisle will expire this term.

Hog Committees are Named in Meetings Held in the County

All committeemen who served last year under the Corn-Hog set-up were re-elected in the four precinct meetings held the past week. The final meeting was held at Umbarger Tuesday night, having been postponed from last week. About 150 contracts have been renewed of the 209 who signed last year. 17 of this number have removed from the county, and will not renew. It is expected that practically all of those who have not signed will do so at the office of County Agent W. H. Upchurch before the closing time.

The final date for signing up for 1935 has been set for Mach 1st. Those who have not signed up by that time will be cut out of the 1935 program.

No meeting of the precinct committees has been called for the election of the county officers for the coming year's work.

Precinct committeemen named are as follows:

No. 1, Henry F. Miller, J. H. Rose, L. D. Winn.

No. 2, Clarence Beckman, Carl B. Fuqua, Warren R. Landrum.

No. 3, J. B. Fox, A. E. Wise, J. W. Byrd.

No. 4, L. B. Hammond, C. E. Colling, John T. Moody.

BANK WILL OBSERVE HOLIDAY FOR FRIDAY

Friday is the birthday anniversary of George Washington, which is observed as a banking holiday in the nation. The First National Bank will be closed during the day in observation of this holiday.

Dr. H. A. Brown returned Monday morning from a business trip to Wichita, Kansas.

Well and Windmill to be Furnished by the Federation

DONATIONS OF $350

Improvements Now Under way at Dreamland Cemetery

Women of the City Federation are seeking donations in the amount of $350 for the purpose of putting down a well and equipping it with a windmill and pump at Dreamland Cemetery. The committee met with the Commissioners' Court yesterday and organized for a drive for funds to accomplish this work.

Mrs. T. H. Knighton, chairman of the City Federation, has appointed Mrs. Clyde McElroy, Mrs. E. D. Harrell, Mrs. C. M. Dowlen Mrs. J. L. Duflot and Mrs. Andy Walsh as a committee to solicit funds for the well.

The court has employed G. W. Stuart to oversee work at the Cemetery. The drives are being graded, and a general clean up campaign is being conducted at the Cemetery. Mr. Stuart has requested that flowers and shrubbery be given to the Cemetery, and will oversee its care through the summer.

Spirea has been adopted as the official flower of Canyon at the suggestion of the State Federation of Women's Clubs for the Texas Centennial, and this will be planted in large quantities in the Cemetery.

The committee of women have requested all those interested in the Dreamland Cemetery to drive out and see the work in progress. Then they request that those interested in the beautification program make a donation to any member of the committee, or leave their donations either at the News office or at the First National Bank.

Work on the well will be started just as soon as the money is available, and the committee hopes that this will be immediately owing to the urgency of the situation

Buffs Split Series With Sul Ross Team

Two of Closest Games of the Season Are Played

The Buffaloes split the two game series at Sul Ross Monday and Tuesday nights, winning the first by a two point margin, and losing the second one by a one point margin. In the series played with Sul Ross at the Burton Gym earlier in the season Sul Ross put up two of the best games witnessed here this season.

In both games, first one and then the other team would take the lead. Neither held more than a few points advantage at any time during the fierce battle which continued in both games.

Monday night the Buffs won the game in the last seconds of play. With only 30 seconds left of the game and the Lobos leading by three points, McMinn sunk a gratis shot and Walker threw a basket to tie the score. With five seconds remaining, Britt landed a beautiful shot from the middle of the floor to win the game, 34 to 32.

Tuesday's game was even more thrilling and harder fought than the one Monday night, with the Lobos winning 36 to 35.

Mrs. Antone Bedenk Died Monday; Funeral Held Yesterday

Mrs. Antone Bedenk, 74, died Monday afternoon at 4:30 at the family home in the northwest part of the county. The funeral services were held yesterday morning at 9:00 o'clock at the Catholic Church in Umbarger, Father Dolje officiating. Interment followed in the Umbarger cemetery under the direction of the Griggs-Thompson Funeral Home.

Mrs. Bedenk was born in Austria. The family has lived in Randall county for 21 years, being among the best known farmers of the county.

Surviving are the husband Antone Bedenk, and three sons, John Bedenk of Canyon, Joe Bedenk of Bushland, and Frank Bedenk of bushland; one nephew, George Walls.

Business Firms To Continue In Saturday Program

Business and professional men who met Friday night at the call of J. H. Cox, Jr., president of the Chamber of Commerce, voted unanimously to continue for the next four weeks the regular monthly trades event.

Increased interest is being shown the weekly event, and in spite of the very cold day Saturday, there was a very large crowd in Canyon.

Citizens of Randall county are urgently invited to be in Canyon Saturday to participate in the regular weekly feature.

Mrs. H. F. Greenfield was taken to the hospital in Wichita Falls Saturday for treatment.

Help Keep Canyon Clean!

T. F. Reid, Pioneer of Texas, Died Sunday at Age of 90

Theodore Frelinghuysen Reid, 90, died Sunday morning at his home following a short illness. The funeral services were held Monday afternoon at 2:30 o'clock at the Presbyterian church conducted by the pastor, Rev. Chas. L. Dickey, assisted by Rev. F. T. Charlton and Dr. R. Thomsen of Amarillo. The Masonic lodge concluded the services at the grave in Dreamland Cemetery.

Mr. Reid was among the prominent citizens of Canyon during the past 34 years. He was very active in the work of the Presbyterian church, where he served as an Elder and director of the choir in the early days. He was a member of the city council the second year after the incorporation of Canyon, and later was elected county commissioner. He was connected with many other civic activities.

Mr. Reid was born in Georgia, and following his marriage to Miss Mary Frances Parks, they started to Texas, driving through in a buggy. They first lived at Lewisville in Denton County, coming to Canyon in 1900. Mrs. Reid died in 1921.

Mr. Reid was a veteran of the Civil War, and took a great pride in the annual reunions which were held in Canyon until 1910. He was one of the four last veterans living in Randall county.

Ten children were born to Mr. and Mrs. Reid, seven of whom survive: E. W. Reid of Dallas; W. M. Reid of Jackson, Tenn.; S. B. Reid of Amarillo; T. M. Reid of Canyon; Mrs. G. H. Guinn of Hereford; Mrs. John W. Lofland of Beaumont; Mrs. Fred Rees of Long Beach, Calif. There are 17 grand children, 21 great grand children, and 4 great great grand children.

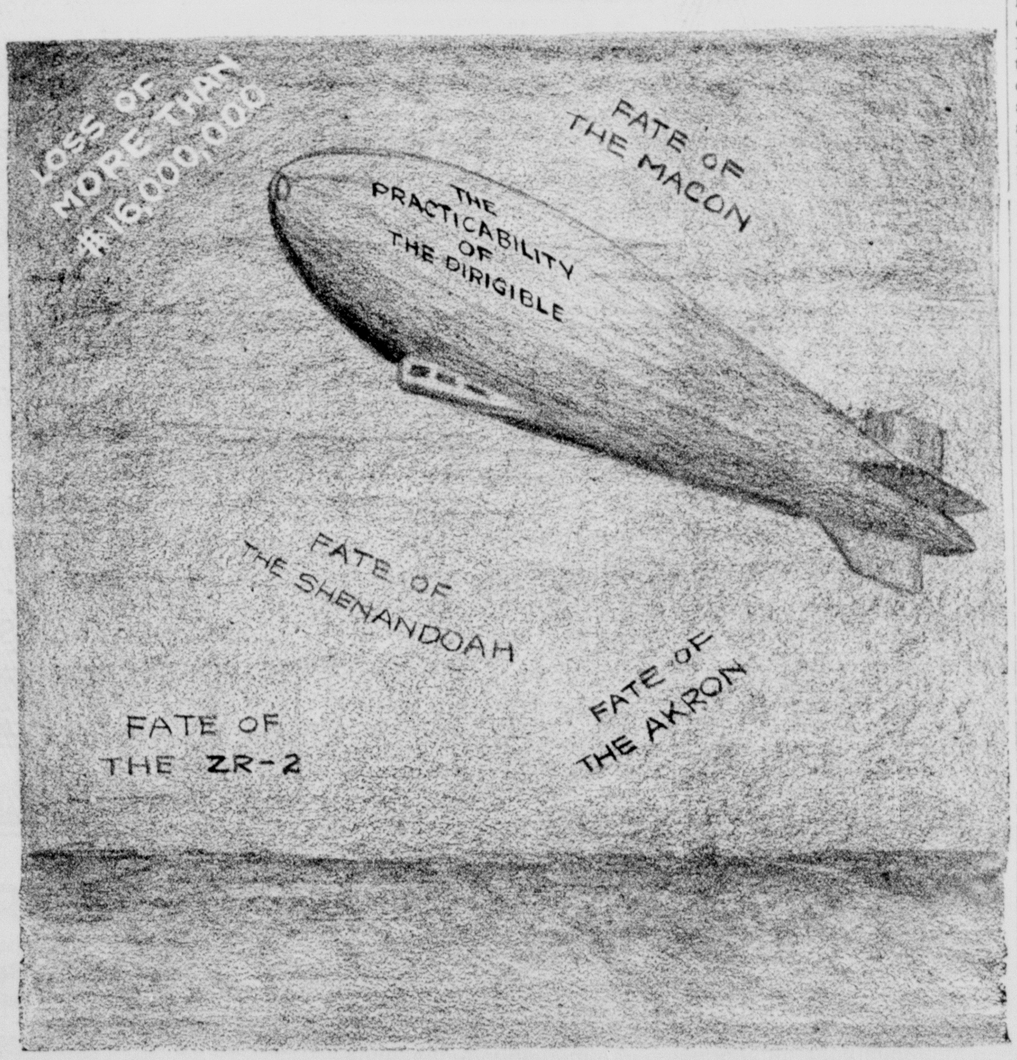
Active pall bearers were: Lige Frieze, Lee Foster, W. C. Black, Ray Campbell, Guy Harp, and Dan Sanders.

Miss Evelyn Boyce returned Friday from an extended visit with relatives in Oklahoma. Her aunt, Mrs. F. E. Weldon of County Line, Oklahoma, returned with her.

Mrs. Leo Uselding and daughter of Amarillo visited Sunday with Mrs. Mark A. Foster.

Misses Belle and Olive Schramm visited Sunday in Amarillo.

POSITION IN DOUBT



300 BOYS OF AMARILLO TO ASSIST HERE

Big Meeting of Boys and Parents to be Held Friday

PROGRAM MADE

Athletic Contests Will Entertain Boys Friday Night

Definite steps in forming the Maverick Club will be taken Friday night at 7:30 o'clock at the Burton Gymnasium when 300 members of the Amarillo club will come to Canyon to entertain the boys and their parents. Froststicks will be given each boy who attends this gathering.

The program Friday is strictly one of entertainment, and will feature only the athletic part of the program which is sponsored by the Maverick Club. A committee from Canyon made a thorough investigation of the religious and cultural features of the club in Amarillo as well as viewing the athletic program before reaching the decision to form the club here.

Boys have started to sign up for membership with C. H. Jarrett and Bob Cox this week during the absence of Coach Al Baggett who will be in charge of the work. Meetings will be held in the Burton Gymnasium until housing facilities are provided elsewhere for the boys. Application has been made under the new government labor program for the erection of a new club house for the boys.

Emmett Galloway, head of the Amarillo Club, was here Monday making arrangements for the meeting Friday night. He will bring 300 of his boys in trucks. The program will be directed by Cal Farley and Dutch Mantell. Vic Webber of New York and Gorillo Pogi of Australia will put on a 10 minute wrestling match under the direction of Mantell.

The Amarillo boys will stage wrestling and boxing matches, and put on musical numbers. The program will be strictly one of fast moving entertainment, and will be greatly enjoyed not only by the boys of Canyon, but likewise by their parents.

Registration for the Club will be opened Saturday for those who have not already signed up. Al Baggett hopes to have all boys interested in the club signed up by the end of the week. Books and magazines will be gathered for a reading room in the gymnasium. Directed recreation and play will be in charge of those capable and interested in boys' work.

The organization of the Maverick Club is sponsored by the Canyon Rotary Club, and will be directed through a board of directors from the club. All citizens of Canyon are urgently requested to get behind the club and its work, and to assist when requested with the various phases of activity that is put on by the club.

P. T. A. Will Hold Meeting Today at High School

The Canyon P. T. A. will meet in the high school auditorium this afternoon, at 3 o'clock.

The fourth grade will present a short program on the importance and meaning of the holidays in February. The program will consist of songs, talks, a flag drill, and a number by the rhythm band. This program grew out of the regular classroom work. The next number is an ensemble "The Stars and Stripes Forever," played by Margaret Foster. A group of college girls will give a dance.

John B. Pope will give a summary of "The Curriculum Revision Movement."

Dr. A. M. Meyer was guest speaker at the P. T. A. of Bivins School at Amarillo, Tuesday. On Monday, Dr. Meyer went to Pampa to meet a new extension class which has been organized there.

Get the boys, 6 to 16, out for the gathering Friday evening at Burton Gymnasium. Give the boys a chance to join a real boys' club which will work for their upbuilding as real citizens of this community. Of course there will be some who may object to the location of the club, or the management of the club, or something else about the club, but invariably they come from folks who are doing nothing to help the situation among the boys of the community. So far the Maverick Club idea is the best idea presented to reach the boys who most greatly need the help of the real men of the community. Every citizen of Randall county should get in behind the movement and try to make it a success. Those who are sponsoring it are giving of their time and money to put over an idea—take boys off the streets, convert their idleness into useful pursuits, give them something worthwhile to think about, and to engage in. The boy problem is the ever increasing problem of every community. No concerted action has hitherto been taken in Canyon by any group of citizens to solve this problem. Now that action has been taken, after other folks have merely talked without doing anything, every citizen should feel obligated to get behind the movement to make men out of boys, rather than merely let them grow up without proper guidance and supervision.

The Supreme Court has upheld the government in the gold case. There was little else for the court to do. The court has uniformly sustained President Roosevelt in his New Deal program, believing that it was either this or something worse. The rule of common sense some times is more powerful than either the written or the unwritten law. Confidence in America and American institutions should be greatly revived by this decision. "Big Business," has been nervous while the case was pending. While the little fellows were unconcerned as to the result of the decision, yet the little fellows would have been the first to be pinched by the reaction had the decision been against the government. The decision is another strong case to prove the soundness of President Roosevelt and his administration. The court recognized the unusualness of the New Deal program, yet it is likewise impressed with the unusual situation which call for extra-ordinary treatment. Conditions are improving over the nation as a whole. Continued confidence is all that it needed in many sections to bring a decided revival. The gold decision will no doubt bring about this return of confidence among the business leaders.

The district P. T. A. meeting will be held in Canyon March 20, 21, and 22. It will be the first large gathering of a series which will bring several thousand people to Canyon this spring. As a result of these gatherings, Canyon should put forth her best efforts to entertain the visitors and show every hospitality. From a civic standpoint, a thorough clean up is needed before any of these meetings are held. The P. T. A. group is especially interested in the educational aspect of Canyon. The delegates will be the parents of children who will go to college during the coming few years. The impression they carry away as to Canyon will probably determine the attendance in W. T. during the coming several years. Every citizen of Canyon is therefore on trial so far as this large gathering is concerned. Every citizen should do his best to make a gathering a pleasure and a profit to each one who attends.

It is surprising the number of good folks who were disappointed in the Hauptmann case. It is a wonder that the jury ever agreed, considering the great mass of testimony which was presented. That sympathy was expressed in favor of the defendant is typically American, and accounts very largely for the laxity of law enforcement. To have turned Hauptmann loose would have encouraged kidnapping and crime of all kinds. While convicted very largely upon circumstantial evidence, yet the chain of each circumstance linked so closely that the jury could reach no other conclusion than guilt. Fortunately the court of appeals to review the case is in New Jersey, rather than in Texas whose criminal laws lean too favorably toward the criminal than for the protection of society from the criminal.

The most comprehensive discussion of automobile accidents we have seen in print comes from the Travelers Insurance Company of Hartford, Conn. By word and illustrations, the foolishness of the ever increasing number of car accidents is vividly brought home to the reader. These pamphlets should be placed in every school of America. Probably the grown ups will pay little head to the carelessness of driving, but perhaps another generation of more careful drivers may be reared. The News has requested a sufficiently large number of these books to be placed in every school in the county in the hope that they will bring a message to the youth.

More than 300 persons visited the Panhandle-Plains Historical Museum building Sunday afternoon between 2:00 and 4:00 o'clock, and a large crowd continued thruout the afternoon. They came from every section of the Plains area. The major project to be presented from Randall county under the new work program is an addition to the Museum, together with a library. These two great outstanding needs will receive the support of all friends of the Historical Society and of W. T. Regional support is being sought for this enterprise since both will serve citizens in every section of the Plains.

Weather prophets have been busy the past three or four years predicting an unusually cold winter for the Panhandle; but each one gets warmer and more open. Now comes the prediction that the drouth will continue in a moderate form through 1935. If the weather predictions in this case run true to form, steamboats will run up the Palo Duro on account of the excessive rainfall.

The News offered a criticism last week of athletic events which are staged on school days. So far as the Canyon high school is concerned this criticism does not apply to the games played at home, as practically every game is being played at night. The night football games have solved a real problem in the saving of the students' time. It is believed that within two years nearly every school will be equipped with lighted athletic fields so as to eliminate the criticism which has prevailed in the past.

Business firms of Canyon will continue for the next four weeks the regular Saturday trades day which was started in December. In spite of the bad day Saturday, there was a large crowd in Canyon. The people of Randall county appreciate the efforts of Canyon business firms to give them real bargains on Saturdays, and other free attractions. If you have not been in the habit of coming to Canyon on Saturdays, be here next Saturday, and every Saturday through March.

The city officials are to be commended upon the decree to prohibit roller skates and bicycles on the sidewalks of the business district. It is a great temptation for the youngsters to use the crowded sidewalks with little thought of the dangers involved. It is lots of fun to skate and ride a bicycle, but the down town side walks are no place for this fun.

President Roosevelt is having more trouble with this congress than he anticipated. Attention was directed to the fact months ago that the over-whelming Democratic majority in congress might not work out so well as the President anticipated. Unfortunately Democrats have never been able to pull together as well as have the Republicans.

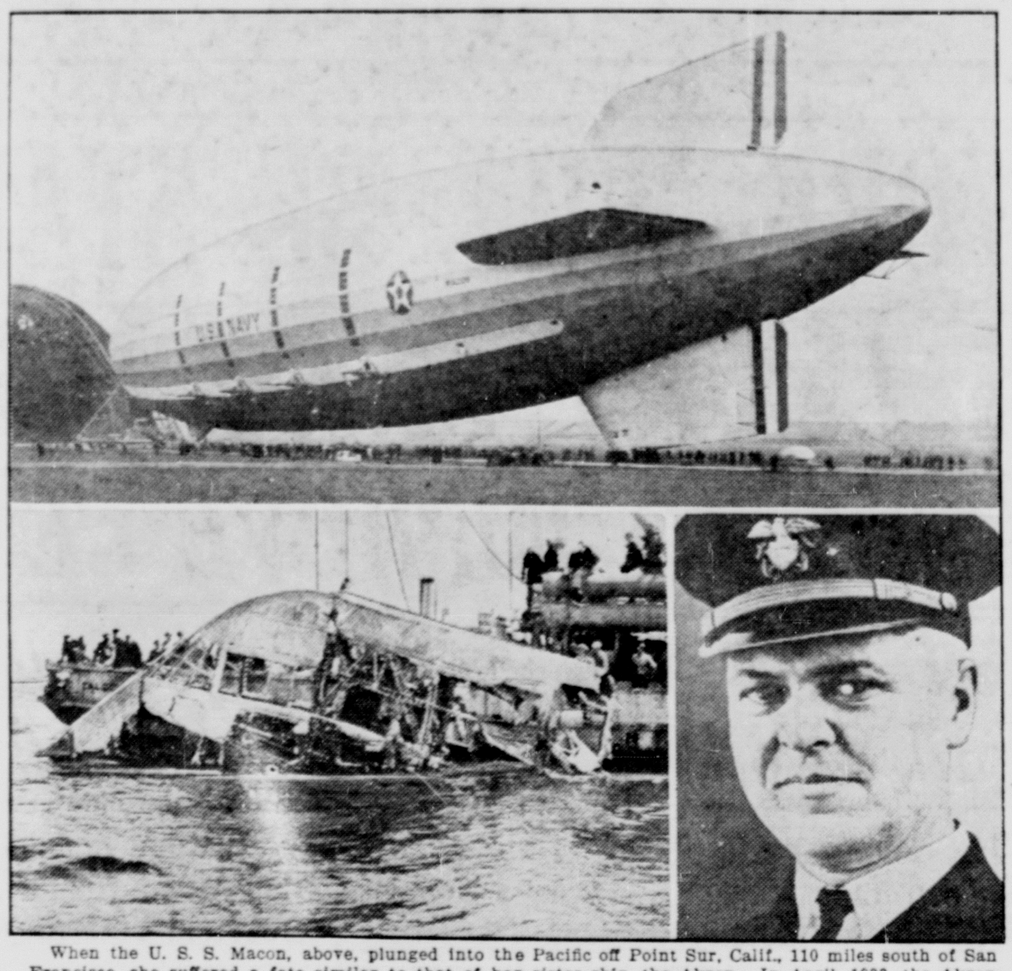
The new public work program will not get started before July states Congressman Marvin Jones. If the new set-up is anything like PWA it will not get started then. It is expected to be some what in between the "turn 'em loose" policy of CWA, and the ultra conservative stand of PWA, with an ultimate goal of getting the nation out of the relief business.

Tomorrow is George Washington's birthday. Wonder what the Father of His Country would think of his child, should he be privileged to return and look us over?

Most of us like to criticise the other fellow, and what he is doing; 999 chances out of a thousand we would make a worse mess of the job if it were turned over to us.

Canyon needs a lot of painting done this spring. There are many good painters in the city who need a job.

Air Queen Suffers Fate of Sister Ship



When the U. S. S. Macon, above, plunged into the Pacific off Point Sur, Calif., 110 miles south of San Francisco, she suffered a fate similar to that of her sister ship, the Akron. In April, 1933, the Akron crashed into the Atlantic off the New Jersey coast, carrying 73 men to their deaths and leaving afloat, as a memento of the tragedy, the tangled wreckage shown below. Nearly all the Macon's crew were saved, including Commander Herbert V. Wiley, right, one of the three men who survived the Akron catastrophe.

SHIP PARTY IS NOVEL AFFAIR ENJOYED BY SELF STARTERS

The home of Louise Blackwell was the scene of a lovely party enjoyed by the members of the Self Starter B. Y. P. U. of the First Baptist Church, last Friday evening. Being a ship party all the games were in keeping with the idea. Miss Leona Bullington was the ship's captain, and Ernest Morgan was the ship's doctor.

At the close of the evening refreshments of tuna fish sandwiches, pickles, olives, potato chips, and hot chocolate were served to the following members and guests: Misses Leona Bullington, Ozie Loftis, May Reese, Julia Nell Stuart, Ernestine Walker, Josephine Lane, Beulah Robinson, Ida Letha Anderson, Connie Roberson, Ethel Rowland, Louise Blackwell, and Messrs. J. C. Baker, Ernest Morgan and Jeff Calloway.

The evening was concluded by a debate on the subject: "Resolved, That I had rather be a centipede with a corn on my toe than a giraffe with a sore throat."

MRS. J. W. BOURN HAS WEST SIDE H. D. CLUB FRIDAY

"To obtain best results in making cheese, the curd must be thoroughly melted." This was the advice given by Miss Sadie Kate Bass, county home agent to the ladies of the west Side Club in a demonstration of processed cheese, at the home of Mrs. J. W. Bourn, Friday, Feb. 15.

The cheese coloring will not penetrate small lumps of curd and if these are not melted the finished product will have white particles through it.

The club voted to buy a book on parliamentary laws.

A delicious covered dish luncheon was served to Miss Sadie Kate Bass, Mrs. J. L. Buchanan, Mrs. L. A. Donnell, Mrs. L. H. Holman, Mrs. Joe Tucek, Mrs. Wm. Ash, Mrs. P. H. Baber, Mrs. J. J. Wright, Mrs. W. C. Roberts, Mrs. Anton Hartman, Mrs. J. E. Hunter, Mrs. Ed Bourn, Mrs. W. A. Hunter, Mrs. B. A. Burrus, Mrs. A. N. Burgan, Mrs. W. L. Avent, Mrs. L. D. Winn, and Mrs. J. W. Bourn.

The next meeting will be March 1, with Mrs. B. A. Burrus.

PRISCILLA CLUB GIVES ANNUAL VALENTINE PARTY

Members of the Priscilla Needle Club entertained their husbands Thursday night with the annual Valentine dinner-bridge party, at the home of Mr. and Mrs. J. L. Duflot.

The valentine motif was carried out in the table decorations and the hand made plate favors that served as tallies for the games of bridge afterward.

The menu consisted of chicken a la King in timbale cakes, English peas in riced potato nests, molded cranberry salad, hot rolls, cherry pie with whipped cream and coffee.

Those seated for the affair were: Mr. and Mrs. G. A. Farlow, Mr. and Mrs. H. W. Hartman, Mr. and Mrs. R. O. Johns, Mr. and Mrs. W. L. Pearson, Mr. and Mrs. J. Madison Daugherty, Mr. and Mrs. Felix Neff, Mr. and Mrs. Frank Hicks, Mr. and Mrs. A. K. Goodman, Mr. and Mrs. Mitchell Jones, Mr. and Mrs. Harry Wood, Mr. and Mrs. J. L. Duflot, and Mr. and Mrs. J. J. Walker.

ACTIVITIES AMONG H. D. CLUB WOMEN

Plan early for a good garden is the motto being carried out by Viola Bedenk, garden demonstrator of the Umbarger 4-H club. The weeds have been burned, to kill the insects that might have been living there and the garden has been plowed. A hot bed, an asparagus bed, and rhubarb has been placed in one end of the garden so they will not be disturbed when other things are plowed or burned.

A more attractive and comfortable bedroom is being planned by Adelia Friemel, bedroom demonstrator of the Umbarger 4-H club. She has made a mattress pad from 6 large feed sacks that cost her 35 cents. She is working on linens for the bed and other furnishings in the room, she is planning to make a mattress cover, four sheets, pillow protectors, four pillow slips, a spring cover, a tufted spread, dresser scarfs, and towels. Blankets, comforts and quilts are to be used for warm cover. Other improvements in the room will be papering the walls and refininshing the woodwork and floors.

This helpful suggestion was made by Mrs. Roy Campbell, wardrobe demonstrator number 2, of the Lakeside Home Demonstration club: stitch the underneath creases of a pleat near the edge and it will not only stay in place better, but will be more easily located when being ironed.

A model clothes closet has been planned by Mrs. C. C. Benton, wardrobe demonstrator number 1, of the Park Home Demonstration club. Since the one closet is to be used by all the members of the family, two rods for hangers are to be installed, one rod will be used for adults clothes and one for small children's clothes. A long shelf is to be placed across the top for the storage of hats and folded articles. Another shelf for shoes is to be placed near the floor.

The first product in Randall County to receive a card of approval from A. & M. College for 1935, is a hooked rug made by Mrs. R. B. Gist, rug demonstrator of the Sunny Hill Home Demonstration club. The rug is two feet by four feet in size, and is made of thrums that cost 35 cent a pound. The total cost, including thrums, burlap and dye, amounted to $1.48.

Mrs. Gist made rugs last year for exhibit, but this is the first time she has sent one to College Station for approval. She won first place on a wool rug and second place on a cotton rug at the Tri-State Fair in Amarillo. Her cotton rug won second place in the State Fair at Dallas.

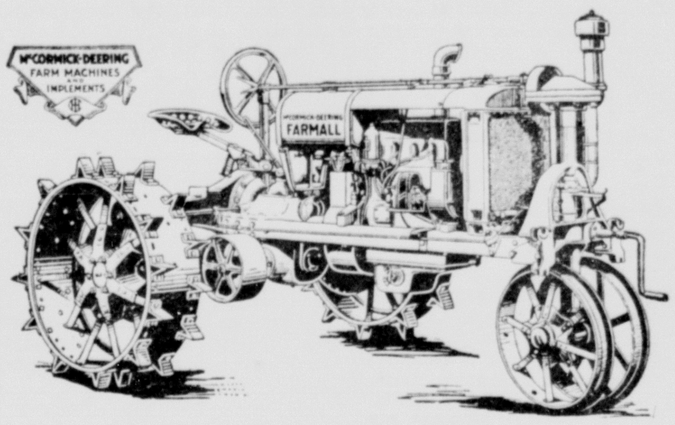
The New Farmall 20 Tractor Is Ready Now



McCormick-Deering

HERE we are with the New McCormick-Deering Farmall 20 Tractor. This model has practically the same physical dimensions as the regular Farmall—but it has *a good 10 per cent more power, 4 forward speeds*, enclosed steering gears, and enclosed steering brakes.

The advantages of the additional power and extra speeds which make the Farmall 20 more flexible are appreciated when it comes to pulling 2 plow bottoms and the heavier tillage tools in tough going, operating 4-row cultivators, 2-row Farmall corn pickers, 2-row potato diggers, and all drawbar, belt, and power take-off jobs. Farmall 20 speeds are 2¼, 2¾, 3¼, and 3¾ miles per hour.

You will admire the Farmall 20 when you see it at work. It has all the features that have made the regular Farmall famous. Ask us about it now.

Mrs. A. M. Smith is visiting her daughter, Mrs. Bernard Weeks of White Deer this week.

Miss Margaret Pierle spent the week end here with home folks. She is teaching at Shamrock.

FIRST GRADE HAS VALENTINE PARTY

The first grade room was the scene of a Valentine party Thursday afternoon when the children of that room were hosts to the second grade. About fifty children were in attendance.

For several days preceding the party, the planning of it furnished a basis for work in social studies, language, music and reading.

Songs, stories, and dances made up the first part of the afternoon's entertainment. Two of the stories were read by the second grade. The program was followed by a game period, which proved popular with all who took part.

Heart-shaped cookies—appropriately decorated with pink icing and red candies—pink lemonade, and "Fritas" were served at the refreshment hour. Since the young hosts shared in the responsibility of preparing the refreshments, they took pride in serving them to their guests.

Distributing the Valentines found in the two well-filled boxes brought the party to a close.

Special guests for the occasion were Alvin and Carl Jennings, Bill Avent Smith, Peggy Barnard, Barbara Allen Tillery, and Barbara White.

WORTHWHILE CLUB ENTERTAINS HUSBANDS

Thursday evening the members of the Worthwhile Club entertained their husbands with a gay Valentine party at the home of Mrs. A. T. Smith, 2209 Sixth Avenue.

Forty-two was the chosen diversion of the evening. The games were played in rooms decorated in keeping with the season.

A delicious plate lunch was served to the following: Mr. and Mrs. W. L. Johnson, Mr. and Mrs. F. A. Thomas, Mr. and Mrs. W. T. Davis, Mr. and Mrs. A. T. Smith, Mr. and Mrs. Cleavinger, Mr. and Mrs. Silas Hart, Mrs. Emma Charles, Mrs. Kyle, Mrs. A. M. Smith.

WAFFLE BREAKFAST AT MISS HUDSPETH'S HOME

Last Sunday morning at 8:00 a. m., the Euzelian Sunday School Class of the Baptist Church entertated with a waffle breakfast at the home of Miss Hudspeth. The program featured talks and songs, including the following people: Mrs. Hill, Josie Baird, Louise Blackwell, Ada Lee Singleton, Pauline Thompson, and Mrs. Montfort.

Walter Johnson of Dallas was here Friday visiting his father, B. T. Johnson.

Mr. and Mrs. N. E. McIntire spent Sunday in the G. C. Hutchinson home at Tulia.

SUNNY HILL H. D. CLUB MEETING TUESDAY

That appetizing dishes may be obtained from home canned meats, was proven in demonstrations given by Mrs. Otto Lehnick, Mrs. L. Jennings and Mrs. Roger Gist, in a meeting of the Sunny Hill Home Demonstration Club, at the home of Mrs. Glen Dowlen, Feb. 19th.

By adding tomato sauce to rolled roast and hamburger meat, a very pleasing effect was had. When ready to serve these dishes were tasted and commented on by those present.

An all day program with covered dish luncheon was planned for our next meeting, which will be with Mrs. Gist.

Delicious refreshments of cocoa and cherry pie with whipped cream were served to one visitor, Miss Mary Ann Peters and the following members, Mrs. Carroll Bray, Miss Lois Moreman, Mrs. Gertrude Wade, Mrs. Henry Ratjen, Mrs. Melvin Miller, Mrs. Lela Castleberry, Mrs. S. L. Robinson, Mrs. Roger Gist and the hostess, Mrs. Glen Dowlen.

POLLYANNA CLUB ENTERTAINS HUSBANDS THURS.

Mrs. George Gammon was hostess to the members of the Pollyanna Club and their husbands Thursday night when she entertained with a Valentine party.

Those present were Mr. and Mrs. Bill Simmons, Mr. and Mrs. Rhea Robbins, Mr. and Mrs. Golden Green, Mr. and Mrs. Victor Steen, Mr. and Mrs. Carl Morton, Mr. and Mrs. Charlie Green, and Mr. and Mrs. Bob Steen.

MISS FRANCES PAYNE, EX-STUDENT OF W. T. MARRIES

Announcement of the marriage of Miss Frances Payne to Robert Hatton Nelson on Sunday, February third, has been made.

Mrs. Nelson is the daughter of Mr. and Mrs. Robert B. Payne of Hutto, and is a niece of Mrs. C. N. Harrison. She attended W. T. in 1922-23.

Mr. and Mrs. Nelson will make their home in Llano, Texas.

H. D. CLUB LADIES GIVE PARTY AT GARRISON

Wednesday night, February 13, was fun night for the people of the Garrison community, when the ladies of the Garrison Home Demonstration Club gave a party at the school house.

Progressive forty-two was enjoyed at eight tables until a late hour.

Refreshments of cookies and cocoa were served to those present.

Mr. and Mrs. R. G. Blue of Hereford spent Sunday in the W. S. Myers home.

JOHNSON 4-H CLUB GIRLS MEET

A quilt protector is a very good thing to keep quilts and comforts clean. One must be put at the head of your quilt or comfort, says Miss Sadie Kate Bass, our 4-H club demonstrator, who gave the Johnson 4-H club girls a demonstration on beds and bedding.

The quilt protector should be made about ten inches wide and as long as your quilt is wide so as to be large enough to slip over the head of the quilt. It can be made from scraps of different material which you may have on hand, of unbleached muslin, or an old sheet, or any gingham or print material just so it is washable.

The meeting was held at the home of Miss Elsie Bauer, Feb. 13.

Our club has added one new member of their group.

The following attended this meeting: Visitors, C. W. Bauer, I. L. Bauer, Mrs. E. B. Harvey, Mrs. C W. Bauer, Mrs. Paul Goettsch, Mrs. L. F. Spiser and Mrs. I. L. Bauer. Members, Lula Spiser, Luella Spiser, Ardelle Spiser, Evelyn Bauer, Margie Bauer, Carrie Bauer, Dorothy Bauer, Mrs. E. J. Bauer, club sponsor, and Elsie Bauer, hostess.

JOHNSON H. D. CLUB HAS CHEESE MAKING

"One ounce of cheese contains as many calories as a pound of tomatoes or lettuce," said Miss Sadie Kate Bass, Randall County home demonstration agent, who gave the Johnson Home Demonstration Club a demonstration on making cheese.

Cheese is also good in the daily diet.

The meeting was held in the home of Mrs. C. W. Bauer, Feb. 13, with an all day meeting.

The members quilted a comfort for the hostess at this meeting.

The following enjoyed refreshments of cocoa and cake: Visitors, Lula, Luella and Ardelle Spiser, Elsie, Evelyn, Margie, Carrie and Dorothy Bauer, Mrs. Gus Leseberg, Jr., Mrs. Raymond Tucek, C. W. Bauer, I. L. Bauer, Gus Leseberg, Jr., Mrs. Paul Goettsch, and Mrs. J. J. Bauer.

Members were: Mrs. E. J. Bauer, Mrs. I. L. Bauer, Mrs. L. F. Spiser, Mrs. E. B. Harvey, and the hostess, Mrs. C. W. Bauer.

MRS. R. O. JOHNS ENTERTAINS 1925 CLUB

Wednesday afternoon Mrs. R. O. Johns entertained the 1925 Club at her home with 4 tables of bridge.

George Washington tallies were used to carry out the spirit of the season.

FERA Students In W. T. Leaders As to Highest Grades

Government aided students at W. T. are continuing to do a higher class of work than the general college group. This has been shown by a study of the grades made during the first half of the year.

110 FERA students have 17.2% A's as against the usual 10%. They have 45.7% B's as against the expected 30%. Their C's totaled 30.2% as against the expected 40% and 11.5% D's against an expected 20%.

Out of the total of 291 grades recorded for the FERA students during the past nine weeks, there were 281 passing grades and 10 conditions and failures.

W. T. chose its FERA students from among 500 applicants from high schools all over Northwest Texas. Only pupils capable of doing a high type of college work were accepted to receive Federal aid.

EPISCOPAL CHURCH

Rev. Warwick Aiken, of Plainview, will preach and conduct the service at this church next Sunday night, Feb. 24th, at eight o'clock.

Mr. Aiken has just returned from an interesting trip, during which he preached at Grace Church, Memphis, Tenn., and at Christ Church Cathedral, New Orleans; and attended the College of Preachers, at the Washington Cathedral, Washington, D. C., which is considered quite a distinction for a young preacher.

All friends of the church, and others interested, are invited to attend the service next Sunday night.

W. T. Teachers and Group of Students to Austin

Miss Edna Graham of the Mathematics department, Miss Hellen Hickman, college nurse, Mrs. Laura Saunders, critic teacher, Miss Ruth Cross, head of the Physical Education department for Women, and Hosea Foster, George Bishop, Roger George, students, left yesterday for Austin.

Miss Graham is regional president of Alpha Chi, honorary scholarship fraternity, of which Dr. H. Y. Benedict, President of University of Texas, is National President. Miss Graham will preside at the meeting this week end and she prepared the program which will be given.

Miss Hickman and Miss Cross will attend a state health and child welfare conference which is being held at the University of Texas. Mrs. Saunders will transact business at Smithville. Foster, George, and Bishop are delegates from the local chapter of Alpha Chi.

Rotary Club Hears Talk on Sounds by Shirley on Tuesday

Doug Shirley, chairman of the Music committee, gave a talk on sounds Tuesday at the meeting of the Club, illustrating the scientific principles of the travel of sound. He gave as the simplest method of determining distance by sound with the pulse beat, 1000 feet for each beat. Sounds in music were illustrated with the various musical instruments. Why some tones were harmonious, and why others were not harmonious were explained. Mr. Shirley was head of the Physics Department of W. T. before taking the office of Registrar, and he brought several instruments to illustrate his discussion.

Visitors Tuesday were: G. Edwin Smith, R. E. Wertz, Arch Hunsley, J. E. Caldwell and C. T. Crowe of Amarillo; Rev. Stuart Marsh and G. W. Cox, Canyon; Lynne J. Vevan, Monclair, N. J.

Fire Record In Canyon Reduces Insurance Rates

Canyon has received a credit of 9% on the insurance rate of the city owing to the good record of the past year. This is a restoration of part of the credit which was lost three years ago when the city had an unusually heavy fire loss.

For several years Canyon had a 15% credit owing to the good record in the small amount of losses. This was removed, and a 3% penalty was imposed owing to the extra number of fires during one year.

The equipment of the city is unusually good, and meets all of the requirements of the state department. If the good fire record is continued it is expected that the city will be restored to the 15% credit next year.

Harrison Short In Attempt to Saw Out of Jail Wednesday

Sheriff R. N. Barnett blocked the attempt of Harrison Short to saw himself out of jail last Wednesday night. A number of saw blades were taken from Short by the Sheriff. He was taken to Amarillo to be held in jail until called for by the penitentiary agent.

Short is under a penitentiary sentence together with two other men for beating up Highway Patrolman Boyce Long in December.

TERRY BUILDING IS IN PROCESS OF REMODELING

The building of Albert E. Terry on the north side has been turned over to M. E. Moses for remodeling ready for the change of business locations to take place next week. Mr. Moses expects to move the latter part of next week.

Mr. Terry moved his business to his building in the east end of town this week.

The Green Grocery will move to the present Moses location as soon as this building can be repainted.

S. V. Wirt, owner of the present Green Grocery location, states that he has not given a lease on the building.

Miss Agnes Charlton, Yvonne Thomas, Ernestine Walker, Charles Donnell, James Compton, Elizabeth Jameson, and G. T. Higgins, were in Amarillo Saturday judging debates and extemporaneous speeches in a tournament sponsored by the Amarillo High School.

March 2nd Set As Planting Day For The Canyon Club

In the plans which are underway for improvement of the Canyon Country Club are included an extensive planting program. S. H. Condron is head of the men's committee having the beautification project in charge of Mrs. Clyde W. Warwick who has been selected to head the women's committee. Other members are Mrs. R. A. Terrill, Mrs. Hud Prichard, Mrs. F. E. Savage, Mrs. T. V. Reeves, Mrs. A. W. Sternenberg, and Mrs. Andy Walsh.

March 2 has been set aside as planting day. Besides setting out great numbers of trees, honey suckle, trumpet vine, bridal-wreath, Shasta daisies, wild plums, cannas, and other flowers and shrubs will be planted.

Every member of the club having plants or seeds to spare is invited to take part in the planting or to let a member of the committee know of the things he can contribute.

Bill Introduced to Abolish Office Hide Animal Inspector

Representative H. K. Stanfield has introduced a bill in the legislature to abolish the office of Hide and Animal Inspector in Randall County. A petition was filed by practically all stockmen of the county with both Mr. Stanfield and Senator Cline Small to abolish this office. A large number of counties have abolished this office in the interest of convenience to the shippers, as well as for the purpose of economy.

It is understood that another petition has been filed asking that the office be not abolished. Bill Money is the present Hide and Animal Inspector, having been elected in the November election.

Raymond Stalling Is Given 3 Years on Burglary Charge

Raymond Stalling was found guilty in county court Monday by a jury and sentenced to three years in the reform school. He was charged with burglary at the J. P. Upchurch farm home northeast of Canyon.

Young Stalling is under a two years suspended sentence in another case.

HILL TO ATLANTIC CITY

President J. A. Hill left Tuesday for Atlantic City where he will address the meeting of the Department of Superintendence of the N. E. A. Later he will go to Washington, D. C. in connection with local PWA projects. He will be gone ten days or two weeks.

Dr. Harris M. Cook will go to Wheeler Saturday where he will address a county-wide teachers meeting. County Superintendent B. T. Rucker will be in charge of the meeting which will consider the Texas curriculum revision movement.

Mr. and Mrs. C. J. E. Lowndes, Chas. Lowndes, Mrs. Henry Morgan and Tom Morgan, of Amarillo were among those who heard Bishop Seaman preach here last Sunday night, at the Episcopal Church, and who spent a pleasant social hour with him afterwards at the Little House.

Jennings' Squad Wins Over Tech

Coach Herschel Jennings took his wrestling and boxing squad to Lubbock Saturday night where they won over the Texas Tech men with honors.

In the boxing matches, Gerald Brown, 125 pounds, Brady McCoy, 145 pounds, George Caviness, 165 pounds, Stina Cain, 175 pounds, and Clinton Meek, heavyweight, won over their men easily. W. Cain, 115 pounds, won over Palmer of Tech by forfeit. Purp Garrett, 135 pounds and McCarty, 155 pounds, looks good, but Coach Jennings would not allow them to go the full three rounds as they had both had only one week's training.

West Texas State won over five opponents in wrestling. Brown, 125 pounds, Wooten, 145 pounds, Caviness, 165 pounds, Sanderson, 175 pounds, and Jackson, heavyweight won their matches. Small, 115 pounds, Morris, 135 pounds, and John Blaine, 155 pounds, lost their matches. However, Coach Jennings says that they showed much more ability than the men they wrestled, but they had hard luck with the "Cross Country Trip" (whatever that is.)

Leo Jackson had to pin his man twice besides having almost all of the time advantage in order to win. Brown and Caviness, who entered both boxing and wrestling won both of their matches. Caviness won over May, Texas Tech's student wrestling coach.

Painting Exhibit at Museum Attracts Large Group People

Hundreds of people have seen the exhibit of oil paintings now hung in the Mary E. Hudspeth Room of the Museum. There are forty of these pictures which form the Oil Painting Division of the Twelfth Annual Exhibit of the Southern States Art League.

This exhibit can be seen at the Museum this afternoon and Sunday afternoon. From Canyon it will be sent to Denton where it will be shown at C. I. A.

Baptist Men Will Entertain Boys at Meeting Monday

The Fellowship meeting of the men of the Baptist Church will be held next Monday night at 7:30 o'clock, at which time all boys 12 to 16 years are invited as guests of the men. All men of the town are invited and urged to attend this gathering, states A. C. West, chairman of the program committee.

Irby Carruth and Dr. B. F. Fronabarger will make talks. Special music will be provided by a male quartet.

WILBUR HAWK SPONSORS SPECIAL TRAIN TO MEXICO

Wilbur C. Hawk of Amarillo is sponsoring a special train to Mexico City for the Rotary International convention June 14 to 24. The special train will be made up in Amarillo, and reservations are being received from towns all over the Southwest.

Mr. Hawk states that it will be the finest train he has ever conducted. The Pullmans will be used in Mexico City owing to the limited hotel facilities available during the convention.

McClure and Hail Escape Injury In Car Hit Tuesday

C. C. Bird of Tulia hit S. B. McClure's car Tuesday evening in south Amarillo. C. G. Hail was riding with McClure, and both escaped without injury. Little damage was done to the McClure car by the glancing blow.

Bird's car was turned over three times, but he was injured only slightly.

"GOVERNOR ROSS" IS FREED AFTER A TRIAL

"Governor Ross" is at large again after having been held in the Randall county and Potter county jails for several months. He was first charged with having attempted to wreck a Santa Fe train, but was found insane when tried. He would never give any name except "Governor Ross," but had sense enough to know when to talk and when not to talk.

He was tried again this week and found sane and was released, promising not to return.

THE EAGLE'S TALE

VOLUME NO. 9 CANYON, TEXAS, FEBRUARY 21, 1935. NUMBER 23

The boys' new football sweaters sure shine, don't they? I think they're really pretty. I was all planned-up to borrow one to wear a day or so, but after Coach made that declamation in assembly I decided it just wasn't quite right for them to be a lending them out.

In the Tulia Hornet I saw the statement that George Vandergriff has the "heart beats" down in Canyon. Well, if that's the fact, I guess Marie O'Donald has the so-called "heart beats" in Tulia. Least ways, I hear that they are "hitting it off" fairly well.

Imagine! Jack Neil was down at the 3 for a dime picture taker's having Ruby Guthrie's picture tinted. They keep their love sorta under cover, don't you think? They were sweethearts a long time before I ever found it out.

Isn't it a shame that short hair had to come into style when every body was letting theirs grow out? Why Jean Slack and Beulah Brasuel have cut off all their beautiful curls and some more are having their hair whacked off, too!

Let me tell you, that Lorene Bessire is about the Ping Pongenest player that ever pinged a pong. She just keeps you guessing as to where that ball is a going next. And there are a few others that ain't so bad. I haven't been hanging around the boys much lately, but I hear they have some pretty good players too also.

I was ever so proud to hear that the Juniors beat the Freshmen in Softball last Friday.

MISUSE OF TROPHY CASE

Many books have been seen lying on top of the trophy case which is placed in the main hall at the entrance of the building to display the trophies won by the student body.

The visitors to the school may be more impressed by the slovenly habits of the student body than by the trophies it has won.

The trophies ought to be the pride of the school and the students should take care to keep the case looking presentable.

Students! It would take only a few more steps to take your books to your locker and thus improve the school's appearance.

EAGLES DEFEAT DIMMITT; GIRLS ARE DEFEATED

EAGLES SCORE 20 POINTS IN FIRST HALF; WEAKEN IN LAST HALF

The Eagles won a decisive victory over the Dimmitt Bobcats at Dimmitt Friday night by a score of 24 to 9. The Eaglettes lost to the Dimmitt Fems by a score of 28 to 8.

The Dimmitt cagers found the Eagle defense virtually impenetrable in the first half, and the Eagles were able to account for 20 points during this period. During the last half the Eagles failed to place any field goals, but were able to make 4 out of 10 charity tosses.

Jack Taylor, diminutive Eagle forward, was high scorer with 13 points.

The Eaglettes were able to keep their opponents from running up a score during the first half, but were unable to hold their opponents during the last half.

This was the Eagles' final game of the season.

Acquarius Rules Fifteen Students

"Your future is in the stars,
It's Mercury, Neptune, Venus, and Mars."

Fifteen students of Canyon High are destined by the decans of acquarius.

Annie Mae Spencer, born Feb. 1, has the exceptional talent of being gifted with a clear understanding and appreciation of history, politics, government, and travel. Annie Mae has a chance to go far in life.

O. D. Breitling and Clark Gable hit America on the same day, Feb. 3, but more than likely it was different years. O. D. has the ability to battle life's problems through his own sheer will-power. O. D. should never consiser his education complete because he can always learn more.

Evelyn Cluck's future also promises to be quite successful. Evelyn was born Feb. 1, and she should beware of her tongue. She may have to follow the old Biblical saying about thrusting away from you any part of your body that offends you.

Betty Ruth Solomon, born Feb. 8, has a great task before her. This task is to find her main talent. She will be able to develop it well. Betty Ruth will probably enter into several different vocations. She should study the occult sciences; this will give her help in accomplishing her great task.

Jackie Pitts, whose birthday is Feb. 9, is a very sensitive type. He has good judgment, and he will make a success in the business world. Jackie should choose his wife carefully because she will have a great deal to do with his success.

J. V. Moore will be thrown into the public spotlight quite a bit. J. V. has the power to please the public, and to become quite a sensation in some type of arts. J. V. should avoid three divorces. He will more than likely be married three times, and he should divorce but two of his wives.

Marjorie Wilkinson, Edgar Hutton, and Dell Bagley are all children of Feb. 15. To these three people, learning will count a lot in life. They all have desires to learn; probably these desires to learn are along different lines. The desires will never be entirely satisfied. They choose for their mates, someone who is broad-minded, and a cheerful worker.

Fred Hart, born Feb. 19, has a sense of discipline which he exercises on himself as well as others. Tradition will mean a lot to him; however, he must not let it stand in his way to success.

Lucille Crowley has the ability to think for herself, and she should never depend on other's brain power. Lucille was born Feb. 21.

James Hill, born Feb. 22, Washington's birthday, must overcome a sense of self consciousness. James must fight this tendency.

Sam Robinson has a dramatic talent, but he must steer around a damaged reputation. He should not marry young. Sam was born Feb. 23.

Feb. 26, marks the dates of Billy Greenfield's birthday. Billy will more than likely give marriage a second trial. Billy's greatest problem will be fighting scandal. She should be especially careful in choosing her vocation.

Pauline Harris, born Feb. 29, will be a very good housewife. This will be her chief vocation. She should beware of buying land.

Debaters Attend Panhandle Speech Tourney at Amarillo

The Canyon Debaters attended the Panhandle Speech Tournament at Amarillo last Friday and Saturday. Both boys and girls teams attended.

The boys, Hal Gamble and Robert Orton, won two or three debates Friday, but were eliminated Saturday by Amarillo.

The girls, Marye Ella Lowe and Rubye Foster, won from Pampa, and lost to Amarillo and Lubbock, Friday.

Amarillo, both girls and boys, won from Lubbock teams for tournament honors.

Teams represented at the tournament were: Lubbock, Quanah, Borger, Friona, Hereford, Amarillo, A. B. and C. teams, Pampa, and Canyon.

The Canyon debaters went to Pampa Tuesday night for a match debate, and will meet Borger in two debates next week.

Student Names Create Fiction

Hens were CLUCK-ing DOWN-IN(g) the GREENFIELD and BURRUS were drinking from the LITTLE BROOK(s) as JACK was reading the BIBLE to learn more about SOLOMON(s) wives.

JACK rose from the NEW(lin) MORRIS chair and went down to the MARSH where he could hear the BELLAH of a HORN(e) and the beat of a DRUM(mond).

He discovered an OLD-HAM lying near a ROOT of a LOW(e) LOCKWOOD tree on top of a HILL.

While entering the FOREST, he met a couple of HICKS, who were playing BALL. He sold the ham at a high PRICE, to the one with a BLACK CONE-shaped hat.

Next he met a BOWMAN, who was selling TATE-lax to make MO(o)RE money so that he could Fix a good PIT(ts) in which he could bury his RUBY(s), which his fat CHAMBER-maid, who weighed a FUL-TON, tried to steal.

He passed the door of a HUT-(ton) where he saw a (Mc)BRIDE holding a (Mc)BROOM and laughing at her husband who was fussing about a TAYLOR BILL.

He returned home and found that HAIL had knocked the PLASTER off the wall, and he was obliged to get a pair of LISLE stockings to PHILL-UP a hole in the window.

Freshman Music I Given Program

A special program was given to Mrs. J. D. Barker's Freshman Music Class, Thursday, February 15, at their regular class period.

Marjorie Wilkinson played the selection "Two-part Invention" from Bach on the piano.

H. S. Strain, band director, played "Tramp, Tramp Tramp" Air in Variations on the cornet.

"Valse Caprice" by de Leon was given by Gladys McBride, also upon the piano.

Following this, the entire group sang from the chapel song books for the remainder of the period.

Foster, Harrison, McBride Present Assembly Program

Mrs. Lee Foster, accompanied by Gladys McBride and Mary May Harrison, gave a program of popular piano selections in assembly, Thursday, Feb. 14th.

The program was begun by Mrs. Foster and Gladys McBride, who played the following: "Dance of the Bumblebees," "Doll Dance," and "Glow Worm."

Mrs. Foster played: "Love in Bloom," and "P. S. I Love You."

Mary May Harrison and Mrs. Foster gave the following: "Stars Fell in Alabama," "Stay As Sweet As You Are," "Cilia," and "Lost In a Fog."

HOME ECONOMICS CLUB PLANS BUFFET SUPPER

The members of the Senior Home Economics Club met Monday afternoon and planned a buffet supper for their mothers, for Thursday night.

Committees were appointed for planning the entertainment.

Plans were discussed for a district Home Economics Club meeting to be held in the spring.

Ethel Brasuel, teacher from Mobeetie, visited in her home here over the week end.

Superintendent I. B. Carruth is ill with mumps.

Well the Eagles were defeated at Pampa last week in the last game of the schedule, but here's hoping they have better luck Friday night in their first game of the district tournament.

If you want to see some real boxing just happen about the school building at noon or after school some day and watch Bud Meyers and some of his heavy hitters get a bloody nose or a red face or maybe a black eye.

Spring is nearly here and several of the high school boys have already started out for track. All of you boys in high school that can run, jump, vault, or compete in any other track or field event come out and help Coach Milton Sanders have a winning track team this season.

It seems that the girls of this school have an everlasting energy as they still play softball with as much enthusiasm as they did two and a half months ago.

Journalism Class Studies Machines Of News Office

Many awe-inspiring machines were seen by the members of the journalism class last Thursday, February 14, when they visited the printing department of The Canyon News.

Of greatest interest to most of the students was the linotype machine. Dan K. Usery showed great patience in his explaining of the machine. He would no more than finish showing one group of students a certain part when another would come up, and want some other part.

Great interest was also taken in the folding machines, one machine was for the purpose of folding newspapers and the other for making booklets.

The perforating, stapling and hole punching machines were operated by Clyde W. Warwick for the benefit of the students.

When Mr. Warwick set the proof copy, he explained that the ink he was using was printers ink. "If you don't think so, rub your hand across it." When the students left, it seemed they did not think so, for several of them were well supplied with ink on their clothes and hands.

STUDENTS START TRACK TRAINING

Canyon High School has a good prospect for a large track team.

Manager Bud Meyers reports checking eight track suits to boys for track purposes.

The boys are: Ray Ford Rusk, Benson Clounch, Prentice McKee, Jack Middleton, Hershel Burrus, Edgar Hutton, Lavert Avent, and Bill Bewley.

Many other boys are expected to report for track work-out during the coming week.

SPANISH CLASS STUDIES MEXICO

The Spanish II Class, in a study of Mexico last week, brought Mexican products to place in the bookcase in the classroom. The items that were brought include a small chair woven from straw, a sombrero, some pottery, basket work, money, and greeting cards.

The class has recently been studying the geography and history of Cuba and Porto Rico.

COMMITTEE PLANS WASHINGTON PARTY

A social committee of seven members of the Junior class met Monday afternoon and planned a party for the Junior class for February 26.

This party is to be at the home of Billie Bee Flesher. The entertainment is to be a George Washington party.

GUESS WHO

She is tall, dark, and friendly.
Baseball captain makes her fame.
She is a "Fish" called "Tony";
Now you guess her name.

Answer to last week's "Guess Who," Irene Thompson.

Lillian Davis, ex-student, visited her mother, Mrs. John Davis over the week end.

Miss Lois Goodrich had as her guest Sunday, her father, who is from Jayton, Texas.

Zella Laughery entertained a group of her friends with a party in her home, Saturday evening.

FRONABARGER AND NICHOLAS TALK TO P. T. A.

"WHAT WILL THEY BE WHEN THEY GROW UP" DISCUSSED; BOOK REVIEWED

Mrs. H. A. Brown and the Mother Singers opened the P. T. A. Study Club, by singing the P. T. A. official song, the entire group joined in the singing.

Mrs. D. A. Nicholas, president of the club, led the Lord's Prayer as the entire group repeated the prayer in unison. Mrs. Nicholas then gave a brief review of "What Will They Be When They Grow Up," the last subject to be studied by the group. Mrs. Nicholas summed up the subject with these words, "Planning for our children's future and adjustment can be reached only by co-operation."

New Morals For Old

"New Morals for the Old," by A. L. Smith, Jr., was the topic of the meeting. Miss Elva Fronabarger reviewed and discussed this chapter for the group. According to Miss Fronabarger, one of our present problems is whether many issues are really wrong or merely bad form. Miss Fronabarger also expressed another important item in this subject by quoting the author in stating "Morals are ever-changing. How can we make our decisions as to what to do about standards without getting into chaos. If it was right to do something a long time ago, why is it wrong to do the same thing now?" Miss Fronabarger countered the above two questions by saying, "Lots of people say that we should not teach as we did long ago, but weren't there good people then?" Next, she defined immorality. "Immorality is the serving of oneself at the expense of the trust or well-being of another."

Must Be Positive

Every parent should be open-minded with his or her children, but he or she should have certain convictions also. The parent can nearly always teach the children how to think so they may solve their problems. "We must be positive rather than negative with our children," said the speaker of the program.

Instead of saying, don't, the parent should be ready with a good substitution by saying, do this, she suggested. The parents should never ask the child to do something, because the child loves the parent. Miss Fronabarger then gave two rules which the parents should follow:

1. "Always before the parent acts, he should study the child."
2. "Do not make a moral issue out of nothing."

The speaker concluded with the following statement: "Every child has a right to expect guidance by his parents."

Round Table Discussion

The group then had a round-table discussion on the following six questions:

1. What factors have contributed to the rapid change in standards and behavior in the past years?
2. Why does each succeeding generation of parents "view with alarm" the customs and conduct of adolescents?
3. How can one distinguish between moral standards of right and wrong and transient customs?
4. In what specific ways can adults be helpful to young people in guiding their lives?
5. When is definite interference with a child's action justified?
6. Is it possible for two generations to come to real agreement about the behavior or must there always be rebellion?

Freshmen Defeat Seventh Grade 13-6 In Practice Game

In a slow and listless basketball game last Thursday afternoon, the Seventh Grade was defeated by the Frosh in a practice tilt with a small score of 13 to 6.

The Frosh showed remarkable improvement over their previous games with the lower classmen, as this was the first victory for the Frosh out of three games.

Eston Breitling scored 6 points for his team, while Bill Sternenberg scored 7 for the winners' points to take scoring honors.

These basketeers are becoming prospective Eagles and are being watched with interest by Eagle fans.

The Percival children have moved to New Mexico.

Una Bryant of the seventh grade has moved to Panhandle.

Eloise Brian, 12, Pupil of Grade School Died Sun.

The funeral of Eloise Brian, 12, pupil of the sixth grade of Canyon Public Schools, was held Tuesday afternoon at 2 o'clock at the First Baptist Church of Canyon, with Rev. J. R. Hicks officiating.

Eloise died Sunday at 4 o'clock in the St. Anthony's Hospital where she had undergone an operation for appendicitis. Pneumonia followed the operation.

She was born August 7, 1922, and has attended school in Canyon except part of two years when she was in Canadian.

Eloise was a member of the Grade School troop of Girl Scouts. She was also a member of the Baptist Sunday School, B. Y. P. U., and G. A. She was taking piano lessons.

Eloise is survived by her mother, Mrs. P. K. Brian of Canyon, four sisters, Mrs. Frank Evans of Canadian; Clara Brian, Harve, Montana; Mrs. John Tanner, Stratford, and Loura Ferne Brian of Canyon; five brothers, P. K. Brian, Jr., Ozona; Milton Brian, Claude; Bill Brian, McLean; Eugene Brian, Dumas, and Jack Brian of Canyon.

The pall bearers were Jack Taylor, Leslie Lisle, Hampton Lisle, Sewel Cox, Wesley Cox, and Chris Wooten.

The flower girls were Norma Lee Black, Viola Archer, Sunshine Harden, Martha Jo Rowan, Edith Neff, and Dorothy Strain.

The body was taken to Claude for burial.

Students Rush For Daily Paper

Time: 15 'til nine.

Place: Coach Jones' History Room.

Dramatis Personae: Foremost History studes. Examples: Fat Cox, Jack Taylor, Les Lisle.

Plot: Coach goes out to chase some students from the Journalism room; there is a rush for Coach's desk by the above named foremost American History students. No, they aren't going to peek at the grade book; they merely want to see what Mickey Mouse is doing or see if Hauptmann has confessed in the morning paper.

Grades Carry On Varied Projects

The 7A class of the grade school is studying a unit in community recreation. Through this they will study the Palo Duro Park.

The 4A and 4B are working on a program to be presented at the P. T. A. meeting February 21.

All classes of the Grade School are working on various projects for the school exhibit which will be held March 20. The students are also preparing for the Interscholastic League Meet. Posters, woodwork projects, crayola pictures and many other things are being made. Exhibit is being held about two months early this year, so all the students are working extra hard.

DRAMATICS CLUB GETS MAKE-UP BOX

The new make-up box arrived in time for the Dramatics Club meeting Tuesday, Feb. 12.

The box is made of heavy art steel and is equipped with a lock and key. It contains a set of grease paints, blending powder, rouge, eye brow paint, lip rouge, blue for the eyes, nose putty, black wax, spirit gum, cold cream, burnt cork, 5 colors of crepe hair, and mascara.

ETIQUETTE

Q. In crowding past some one in a theater, should one say, 'Pardon me"?

A. No, say, "I am sorry," or "I beg your pardon.

Q. Should one talk while a play or show is going on?

A. One should never comment on a play or actors during the performance. Even if one has seen the play before, do not give the plot away to others.

Q. Should one visit friends in store aisles?

A. No, it is very inconsiderate.

Q. When should a boy hold the street door open?

A. A boy must hold the street door open for a girl or an older person to pass in or out.

Billy Louise Greenfield entertained her sister, Armor Lee Greenfield, with a surprise birthday luncheon and slumber party Saturday night, Feb. 16. BASKETEERS TO GO TO DISTRICT TOURNAMENT

EAGLES TO PLAY WINNER OF AMARILLO - HARTLEY GAME AT 9 P. M. FRIDAY

The District Intercollegiate League basketball tournament will be held at Amarillo in Badger Gymnasium Friday and Saturday of this week.

Twelve counties of the northwestern Panhandle to be represented are: Oldham, Randall, Potter, Deaf Smith, Moore, Parmer, Armstrong, Dallam, Swisher, Sherman, and Hartley.

Amarillo was the district champion for last year. The Sandies will defend their title Friday at 3:30 when they play Hartley. The winners of the Hartley-Amarillo game will play the Canyon Eagles Friday at 9 o'clock. The winners of the game will be in the semi-finals.

Each team will be entitled to ten players which receive tickets to the tournament.

The winners of the District Tournament will compete in the regional meet here at Canyon at Burton Gymnasiup, March 1 and 2. The winner of the regional meet will represent this section of the country at the state meet at Austin.

Extracts From The Exchange

On the subject of Journalism:

The best-looking page can be prepared when the entire page is reserved for the high school material, as is true of The Eagle's Tale, The Corral, and The Hi Times. When the whole page is secured, the staff should prepare a regular headline schedule (see "High School Newspaper Handbook" for discussion) and should plan the make-up as though for the front page of a paper. The Eagle's Tale does this admirably, and in many respects may serve as a model for the others.—From the Interscholastic Leaguer.

Pardon Us, Trees—From the Abilene Battery.

I think that I shall never see
A test as hard as biology
A test that makes you stir and squirm
And wonder if you'll pass this term.
A test that makes you tear your hair
And wish you were not sitting there.
A test that turns your hair to snow
Because it asks what you don't know.
Tests are flunked by fools like me,
Especially if it's biology.

STUNT NIGHT PARTICIPANTS ARE CHOSEN

CANYON NOVELTY ORCHESTRA WILL FURNISH MUSIC DURING EVENING

A gala affair is to be Thursday night at eight o'clock in the auditorium of the Administration building. It is to be the all-college STUNT NIGHT, sponsored by Y. W. C. A. Clubs participating are W. A. A., Wheeler County Club, Wranglers, Friends of the Library, Pi Omega, and Ruff Nex. Each has a howling stunt to perform; so plan to attend and have a full evening of entertainment.

The faculty is planning a "wow" of a stunt. It will be one of the chief attractions of the evening. Students often have wondered what the faculty thinks of them. Now will be a good time to find out. Miss Novella Goodman is chairman of the committee. Try to imagine Mr. Duflot, Mrs. O'Keefe, Dr. Fronabarger, Mr. Shirley, Miss Anderson, Miss Goodman, Mrs. Montfort, Miss Frances Usery and others in a hilarious stunt.

Music between acts will be furnished by the Canyon Novelty Orchestra; so there will not be a dull moment in the evening's entertainment.

The Y. W. C. A. is presenting a prize of five dollars to the club whose stunt is considered the best.

Wayside Items

A full house greeted the Stamps Quartet Sunday night at Wayside school auditorium. Every one was delighted with the singing. A singing school was organized to begin following Wednesday night. Good singing is a great advantage to any community.

Track Team Will Represent School In Competition

For the first time in three years West Texas State Teachers College will be represented by a track team in intercollegiate competition.

Plans are being made to attend the Fat Stock Show March 16 with some contestants, the Texas Relays, March 30, and the Lone-Star Conference Meet some time in May. The Great Plains Meet will be held in Canyon, April 26.

In all probability no outstanding track team will be developed this year, but with a little work, the future should produce some good tracksters.

Even this year a commendable team is possible for some experienced track and field men are reporting, and there is always room for the dark horses.

Among the men most likely to win points for their Alma Mater are Warhorse Van Noy, Clinton Meek, Emil Hutto, Jack Davis, and Audell Kimmips in quarter-mile.

Big John Walker will probably be in the high hurdles and discus divisions; Clement, Brasuel, and McCoy in the mile, Elwyn Garrett in the dashes and low hurdles, Waggoner and Cain in the javelin throw, and Meek and John Lee, along with Walker, in the discus throw.

Outstanding freshmen indicate growing prospects in the future. Lwood Dow should develop into a good javelin man, while H. D. Stewart and Lewis Gibson are prospects as dash men. Other freshmen of promise are James Greer, Grover Dennis, Wheezer Hicks, Jack Jennings, Ed Miller, and Floyd Murry.

MARCH 15

Is the final date on which you pay your delinquent taxes for 1933 and former years and have all past costs and penalties remitted.

After that date the penalty and interest costs will be continued as in the past. By making payment on or before that date, those owing delinquent taxes will make a considerable saving in their delinquent taxes.

Delinquent 1934 Taxes

are increasing in total month by month as 1% per month is added to these taxes, and 6% interest is likewise added. It is to the advantage of the tax payers to pay off these 1934 taxes as quickly as possible.

Rivalry Between Tech and W. T. Renews Feb. 25-26

More important than anything else to followers of the West Texas State Teachers College basketball team is the coming series with the Texas Tech Matadors in Burton Gymnasium February 25 and 26.

For years there has been bitter rivalry between the Matadors and the Buffaloes in all sports, with results about even everywhere except in basketball, where the Buffaloes had the edge. Recently the competition between the two schools has been confined to basketball.

In eight years of competition Texas Tech had won only three basketball games from West Texas and had never won a two game series. Last year the Buffaloes split a two game series with the Red Raiders in Canyon, but went to Lubbock later to lose the first basketball series that a Buffalo team had ever lost to Texas Tech.

This year with a highly-touted team leading the Border Conference, Lubbock expected to see the Matadors take another series from the Maroon and White.

But the charges of Coach Baggett upset the dope with a brilliant display of clever basketball to take the first game from Tech 36 to 27. On the second night the Buffaloes were clearly off form while Tech was hot, and the Buffaloes were handed the most severe defeat ever taken by them, 53 to 25.

Dissatisfied over losing to the Bison Herd, Coach Ballard and his Matadors are coming into Canyon the 25 and 26 to repeat their previous decisive defeat.

Tech has a well rounded squad with the reserves pressing the regulars for positions. Co-captains Gilmore and Priddy are consistent scorers, and good defensive men Both are seniors playing their third year on the Matadors. Both were instrumental in handing the Buffs the Tech defeat.

Another boy who helped defeat the Buffaloes was Curly Wilkinson, a six foot-four-inch sophomore who jumps center for Coach Ballard. Wilkinson uses his height to advantage, and pours the ball into the basket from all angles.

Crews, a letterman, started as the other forward with Gilmore against the Buffs, but did not do so much against West Texas cagers.

Weaver, a steady, dependable guard, pairs with Priddy to play the back field positions for Ballard.

Coach Ballard undoubtedly has a formidable team, and Captain McMinn, Boedeker, Britt, Clement, Walker, Clark, Cleavinger, Kimmins, Myers, Johnson, Vineyard, and Van Noy will have ther hands full when the Raiders invade Canyon. The Buffs have improved continually since the season opened, and are eager for the test that the Tech team will provide.

The pessimist will say that Canyon would lose two games; a saner person will say it will be a split series; and an optimist will say the Buffs going to win.

CARD OF THANKS

Words can hardly express our deep appreciation to our many friends who were so kind and thoughtful to us during the recent illness and death of our darling daughter and sister.

MRS. P. K. BRIAN
AND CHILDREN.

If you have a poor neighbor, what do you suppose he thinks of you?

Men who strut should contemplate the fate of the turkey gobler.
